Quarterly Census of Employment & Wages

* All establishments are included in these figures except railroads, small nonprofit institutions, churches and federal government civilian employees. Average weekly earnings are computed from the quarterly earnings and average employment for each establishment. Employment and Earnings data are rounded to the nearest ten (10). Average weekly earnings are rounded to the nearest dollar.

Beginning January 1, 2001, the Average Weekly Earnings for Manufacturing are based on NAICS (North American Industrial Classification System) codes.
